**NOTICE OF ACTION TAKEN PURSUANT
TO THE WRITTEN CONSENT OF STOCKHOLDERS**

June [], 2007

To Our Stockholders:

NOTICE IS HEREBY GIVEN that the following action has been taken pursuant to the written consent, dated [], 2007, of the holders of a majority of our outstanding shares of common stock, in lieu of a special meeting of the stockholders. We expect such action to be effective on or about June 25, 2007 (the "Effective Date").

Our Certificate of Incorporation, as amended, will be amended on the Effective Date to increase the number of authorized shares of our capital stock from fifty one million (51,000,000) shares to seventy six million (76,000,000) shares and to increase the authorized number of shares of our common stock, par value \$.01 per share, from fifty million (50,000,000) shares to seventy five million (75,000,000) shares. On the Effective Date, we will file an amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware, pursuant to the provisions of the Delaware General Corporation Law.

In order for us to effect an increase in our authorized share capital, we must amend our Certificate of Incorporation, which requires that we obtain the approval of stockholders holding a majority of our outstanding shares of common stock. Stockholder approval could have been obtained by us in one of two ways: (i) by the dissemination of a proxy statement and subsequent majority vote in favor of the actions at a stockholders' meeting called for such purpose, or (ii) by a written consent of the holder(s) of a majority of our outstanding shares of our common stock. The holders of a majority of our outstanding shares of common stock determined that it would be preferable to act by written consent instead of soliciting stockholder approval through the use of a proxy statement because of the timing and costs involved in calling and holding a stockholders' meeting.

No action is required by you. The accompanying Information Statement is furnished only to inform our shareholders of the action described above before it takes effect in accordance with Rule 14c-2 promulgated under the Securities Act of 1934, as amended, and Section 228(e) of the Delaware General Corporation Law. This Information Statement is being mailed to you on or about June [], 2007.

By Order of the Board of Directors,

Nick A. Caporella
Chairman of the Board
and Chief Executive Officer

THIS IS NOT A NOTICE OF A SPECIAL MEETING OF STOCKHOLDERS AND NO STOCKHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER WHICH IS DESCRIBED IN THE ATTACHED INFORMATION STATEMENT.

PLEASE NOTE THAT THE HOLDERS OF A MAJORITY OF OUR OUTSTANDING SHARES OF COMMON STOCK HAVE VOTED TO APPROVE THE INCREASE IN AUTHORIZED CAPITAL STOCK AND COMMON STOCK AND, CONSEQUENTLY, NO ADDITIONAL VOTES WILL BE NEEDED TO APPROVE THE INCREASE.

AMENDMENT TO CERTIFICATE OF INCORPORATION

Our Board of Directors and the holders of a majority of our outstanding shares of common stock have approved an amendment to our Certificate of Incorporation to increase the number of authorized shares of our capital stock from fifty one million (51,000,000) shares to seventy six million (76,000,000) shares and to increase the number of authorized shares of our common stock from fifty million (50,000,000) shares to seventy five million (75,000,000) shares.

Text of Amendment

The amendment would result in the text of Article Fourth, Section 1 of our Certificate of Incorporation reading in its entirety as follows:

“ SECTION 1. Authorized Capital. The total number of shares of stock which the Corporation shall have authority to issue is seventy six million (76,000,000) shares, of which seventy five million (75,000,000) shares shall be common stock, par value \$.01 per share, and one million (1,000,000) shares shall be preferred stock, par value \$1.00 per share.”

General Effect of the Proposed Amendment and Reasons for Approval

On May 24, 2007, the Board of Directors declared a 1-for-5 stock dividend (the "Stock Dividend") to holders of record on June 4, 2007, that will be effected on or about June 22, 2007, thereby reducing the number of authorized but unissued shares that we have available for general corporate purposes, including stock dividends and splits, raising additional capital, issuances of shares pursuant to employee stock option plans, and for possible future acquisitions. We are increasing the number of authorized shares of our authorized common stock to provide additional shares for general corporate purposes, including stock dividends and splits, raising additional capital, issuance of shares pursuant to employee stock option plans, and for possible future acquisitions.

Our officers may from time to time engage in discussions with other companies concerning the possible acquisition of such companies by us in which we may consider issuing stock as part of, or as all of, the acquisition price. The Board of Directors believes that an increase in the total number of shares of authorized common stock will better enable us to meet our future needs and give us greater flexibility in responding quickly to business opportunities. The increase will also provide additional shares for corporate purposes generally.

Our Board of Directors knows of no other matters other than those described in this Information Statement, which have been recently approved or considered by the holders of our common stock.

REASONS WE USED STOCKHOLDER CONSENT AS OPPOSED TO SOLICITATION OF STOCKHOLDER APPROVAL VIA PROXY STATEMENT AND SPECIAL MEETING

In order for us to effect an increase in our authorized share capital, we must amend our Certificate of Incorporation, which requires that we obtain the approval of stockholders holding a majority of our outstanding shares of common stock. Stockholder approval could have been obtained by us in one of two ways: (i) by the dissemination of a proxy statement and subsequent majority vote in favor of the actions at a stockholders' meeting called for such purpose, or (ii) by a written consent of the holders(s) of a majority of our outstanding shares of our common stock. The holders of a majority of our outstanding shares of common stock determined that it would be preferable to act by written consent instead of soliciting stockholder approval through the use of a proxy statement because of the timing and costs involved in calling and holding a stockholders' meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of our directors or officers or their associates have any substantial interest, direct or indirect, by security holdings or otherwise, in any of the matters approved by the stockholders as described in this information statement.

NO APPRAISAL RIGHTS

Under the Delaware General Corporation Law, our stockholders are not entitled to appraisal rights with respect to an increase of our authorized shares, and we will not independently provide stockholders with any such right.
